Free Clean-Up Day Set for April 21

BRIDGEPORT – The City of Bridgeport and Waste Connections are pleased to announce that the spring free City clean-up day will be held on Saturday, April 21.

Waste Connections will have the transfer station at 405 West Fifth Street open from 8 a.m. until 1 p.m. for all non-commercial City residents to bring household furniture, small and large appliances and scrap lumber. No tree branches, refrigerators, freezers, shingles, batteries, chemicals, wet paint, oil or tires will be allowed. Cans of paint must have been opened and the paint dried.

This is a free service, and the City of Bridgeport and Waste Connections encourage all residents to take this opportunity to dispose of unwanted waste on their property. For more information, contact Waste Connections at 262-0310 or the City Office at 262-1623.

Additional information is also available on the City's website at www.cityofbridgeport.com.
